

# RSL MAREEBA

88 Byrnes St MAREEBA QLD

## Project Overview

Refurbishment works & extensions to the existing RSL Club which is located in the main street of Mareeba. Works included new floor coverings & wall linings to their function room including making good of the existing timber flooring on the stage & dance floor. We extended their cold room & store room & added on an outside timber deck. The existing bar was demolished & was replaced by a new & more modern bar. We also extended their gaming room for future use.
