Procurement

Hutchies is committed to ethical purchasing processes and community engagement in the delivery of our construction projects and services.

To achieve this, we:

- Follow legal and other requirements relating to procurement
- Prioritise opportunities for local businesses and social enterprises where possible in our supply chain
- Promote learning and development throughout our supply chain where possible
- Conduct our business in a respectful and fair manner
- Support our supply chain in attracting new entrants into the construction industry
- Providing resources to achieve the objectives of this policy

Where possible, we adopt strategies that build stronger supply chains and communities.
