Whistleblower

Hutchies is committed to conducting our business in a fair, ethical and responsible manner that aligns with our company strategy. If there is a breach, we want our people to feel safe to raise concerns.

To achieve this, we:

- Follow legal and other requirements relating to whistleblowing
- Provide people with an understanding of what should be reported under this policy
- Demonstrate the importance Hutchies places on ensuring a safe and supportive environment where people feel confident to raise breaches
- Create a culture that encourages our people to speak up and raise breaches
- Explain the processes for reporting breaches, including what happens when you make a report
- Outline how you will be protected if you make a report
- Maintain a continuous improvement approach

Hutchies recognises its responsibility to model and promote behaviours that support activities which contribute to decent and transparent business practices.
